

Development Application Fees

Development fees are determined by State Legislation, and are assessed according to a number of factors including type of proposal, cost of proposal and size of proposal.

A lodgement fee is paid at the time of lodgement of your application. An invoice for the remaining fees will be sent after initial assessment of your application.

Fees are subject to change from 1 July 2019.

The below table provides an indication of the fees to be expected for your Development Application.
