## Adelaide Oval Event 'Access (Disability) Parking'

Access car parking spaces for events held at Adelaide Oval are managed by the [Adelaide Oval Stadium Management Authority](#).

Limited AFL Season disabled Access permit passes are available and are issued on a first in, first served basis by contacting the Authority directly on 8211 1100.

Alternatively you can visit the Adelaide Oval Stadium Management Authority website and apply online.

## Torrens Parade Ground

Limited disability parking is available in the Torrens Parade Ground for Adelaide Oval. This is also managed by the Adelaide Oval Stadium Management Authority. Cash payment is required on entry. For enquiries please contact the Authority directly on 8211 1100.

## On-Street parking options

During major events (with expected crowd of 35,000 or more) disabled drop-off zones will be established on War Memorial Drive and King William Road.

To assist Adelaide Oval during events with Access (disability) parking, companion parking is also available in War Memorial Drive, immediately west of Montefiore Road.

In addition, Disability Parking Permit holders are able to park on-street within any signed '2P Event Parking' space for a total of 4 hours (double the 2 hours) when the Event Parking Controls apply. **It is important to note that the times indicated in designated Disabled Parking spaces do not permit additional time and permit holders are only entitled to the time specified on the sign.**

The above concessions/parking arrangements are only valid when the vehicle is being used to transport the Disability Parking Permit holder and a valid Disability Parking Permit is displayed so the number and expiry date are clearly visible from the exterior of the vehicle.

For further enquiries relating to on-street parking please contact our Customer Centre on 8203 7203.
