<p>Apollo 11 VR Experience</p> <p>Apollo 11 VR is the story of the greatest journey ever taken by humankind. This VR experience is a recreation of the events which took place between July 16th and July 24th 1969. Now for the first time ever you get to experience this historic event through the eyes of those who lived through it.</p>	 The image shows the title screen for the Apollo 11 VR Experience. The text "Apollo 11" is prominently displayed in a white, serif font, with "VR EXPERIENCE" in a smaller, sans-serif font below it. To the right, there is a small, detailed illustration of the Apollo 11 lunar module on the moon's surface against a dark, starry background.
<p>Destinations</p> <p>Destinations let's you explore both real and imaginary places in virtual reality with friends. Visit and learn about different countries, explore your favourite game environment, or play games with other players – invite your friends and go explore!</p>	 The image shows the title screen for the Destinations VR app. It features a stylized, low-poly landscape with a dark, silhouetted horizon and a bright orange and yellow sky. A white, glowing archway is centered in the foreground. The word "DESTINATIONS" is written in a large, white, sans-serif font at the bottom.
<p>Fantastic Contraption</p> <p>A surreal building game for Vive VR. Create life-sized contraptions as tall as you can reach, then send them whirling, flinging, and trundling off to solve puzzles on the other side of a floating island. There are no right or wrong solutions, so bring your creativity.</p>	 The image is a screenshot from the VR game Fantastic Contraption. It shows a colorful, surreal landscape with a blue sky, green ground, and various mechanical contraptions. A yellow character is visible, and there are several colorful, abstract shapes and structures. The text "FANTASTIC CONTRAPTION" is overlaid in a white, sans-serif font.
<p>GE Neuro</p> <p>Take a journey through the mind of musician Reuben Wu whose real life brain data was scanned with an MRI to create this VR portal into the human brain. Created by Kite & Lightning in partnership with GE & AMD.</p>	 The image shows the title screen for the GE Neuro VR app. It features a portrait of a man wearing a VR headset, set against a futuristic, blue and purple background with glowing lines and patterns. The text "GE NEURO" is prominently displayed in a large, white, sans-serif font, with "by KITE & LIGHTNING" below it. In the top left corner, it says "POWERED BY AMD".
<p>The Impossible Travel Agency</p> <p>Travel to a distant world pulsing with life in this beautiful VR experience set to music.</p>	 The image shows the title screen for the VR app The Impossible Travel Agency. It features a beautiful, surreal landscape with floating islands, trees, and a blue sky. The text "THE IMPOSSIBLE TRAVEL AGENCY" is overlaid in a white, sans-serif font.
